# Thank you

Hello, thanks for choosing to purchase your bed from Dreams - you're now on your way to your best Ever night's sleep. Before you begin building your bed, please take a moment to read through the Instructions and make sure that you've got all the relevant parts listed on the following pages.

## Assembly tips

Before you begin, it's best to identify all parts and fittings to build your bed. We advise laying these out on the floor to check you have everything, and familiarising yourself before building.

## Top tip

We recommend that you build your new bed in the room you'd like it to be Located - this will help prevent any risk of damage to your newly built bed Whilst moving it .

## Safety and care

It's really important to ensure children and animals are kept away from the assembly area, as there are small components used in this bed which could present a choking hazard, All plastic and wrapping materials should also be kept away from children and animals to prevent any risk of suffocation. To keep your little ones busy, there is a colouring page inside the back cover.
