

Air Mattress with Built-in AC Pump Manual

OWNER'S MANUAL

IMPORTANT SAFETY INSTRUCTIONS

READ AND FOLLOW ALL INSTRUCTIONS.

Carefully read, understand, and follow all information in this user manual before installing and using the air mattress.

These warnings, instructions, and safety guidelines address some common risks, but they cannot cover all risks and dangers in all cases. Always use caution, common sense, and good judgement when enjoying the air mattress. Retain this information for future use. In addition, the following information can be supplied depending on the air mattress type. Safekeeping the instruction.

WARNING

- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- Motor for short time operation only. Inflate only for 5 minutes and deflate only for 5 minutes. Make sure motor's run time at a time not exceeds 5 minutes.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- If instruction is missed, please search it in website: www.bestwaycorp.com.

PUMP DISPOSAL

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.
