Should you have any issues with your product please contact our customer service team on 0344 292 0000

On Delivery

Once your new bed is in place and all the packaging is removed, let it air for approximately 1 hour before putting on your mattress, mattress protector and bed linen.

Don't worry if your bed feels a little strange at first. It takes time for your body to adjust to a new level of support and comfort. You'll soon be enjoying a more relaxed sleep.

Please consider the surface your bed will be stood on. If your bed frame is to be stood on an uncarpeted surface please ensure that you use rubber backed mat under the legs to avoid slipping.

Day to day Care

Please use only 5% soap, 95% water solution, wiping with a damp cloth. Finally dry with a soft clean cloth. Dust with a soft clean cloth only.

Check all bolts, screws and legs regularly to make sure they haven't loosened and tighten all joins of your furniture or bedstead after 6 months. Please keep these instructions in a safe place for further use.

Storage Drawers in Bedsteads are designed to carry lightweight items such as Pillows, duvets and linen. Please try to avoid storing heavier items such as books or toys.

Returns

If you have bought a large item such as a bed or mattress which is damaged or faulty and would like to return it, we will be able to arrive at your home and take your item away. All we ask is that your item is in perfect condition and in its original packaging (you can open the packaging to inspect your item). Items will not be able to be returned if they are not in their original packaging.

For online and telesales orders, you can only return an item within 14 days from the date of your delivery.
