Dreams

Love your bed

Thank you

Hello, thanks for choosing to purchase your bed from our company- you're now on your way to creating a practical and stylish solution for your room. Before you begin building your bed, please take a moment to read through the instructions and make sure that you've got all the relevant parts listed on the following pages.

Assembly tips

Before you begin, it's best to identify all parts and fittings to build your bed. We advise laying these out on the floor to check you have everything, and familiarising yourself before building.

Top tip

We recommend that you build your new bed in the room you'd like it to be located - this will help prevent any risk of damage to your newly built sofa bed whilst moving it.

Safety and care

It's really important to ensure children and animals are kept away from the assembly area, as there are small components used in this bed which could present a choking hazard. All plastic and wrapping materials should also be kept away from children and animals to prevent any risk of suffocation. To keep your little ones busy, there is a colouring page inside the back cover.

Help and support

At Dreams, it's our mission to give the whole nation a great night's sleep - this means that the quality of our products is of utmost importance to us. If there are any issues with your product or any missing parts, please contact our Help Centre on 0800 652 6750, where a member of our team will be happy to help. (For customers based in Northern Ireland, please call 028 9050 8300)

Recycling

Please ensure that packaging is disposed of in a safe and environmentally friendly way, and recycle where possible. Our assembly instructions are printed on recycled paper. Please keep your assembly instructions safe to refer back to in the future.

Parts

Important information

Please check you have all the parts listed below with your bed:

Do not discard any of the packaging until you have checked that you have all the parts and the pack of fixings.

Tools required

Please check you have all these below:

Cross head screwdriver

Scissors

Tape measure

Assembly

1

Affix Legs (4) to the bottom of Headboard (1), Footboard (3) with Bolts (A), Spring Washers (B), Flat Washers (C). Tighten the Bolts using the Allen Key (D).

Assembly

2

Loose the Bolts pre-assembled in the Headboard, Footboard first.

Carefully attach and lock the Side Rails (2) to the Headboard, Footboard.
Make certain the bed is squared up, then tighten all Bolts fully

Assembly

3

SLAT SYSTEM ASSEMBLING

⚠ Identify the slat system your have purchased...

Standard Wooden Slat Assembly

Sprung Slat System

Assembly

A

Take out Standard Wooden Slat System (5).
Take out Center Leg (I), make sure the foot can be adjustable.

Put the Standard Wooden Slat System (5) on the bedframe, fully tighten using Bolt (E), Sleeve Nuts (G), Flat Washers (C) and Allen Keys (H).

B

Assembling Center Leg (I) to the Slat System,
Fully tighten the Screw (F) using a Cross
Screwdriver (not provided).

Fit the Center Leg (I) to the centre slat (there is a pre-drilled hole on the centre slat) as shown.

Assembly

C

Fully tighten using Bolts (E), Sleeve Nuts (G), Flat Washers (C) and the Allen Keys (H).

D

SPRUNG SLAT SYSTEM ASSEMBLING

Attach Center Legs to the Sprung Slat System.

Assembly

E

Adjust leg height to suit bed frame

F

Put the Sprung Slat System (6) on the bedframe. Secure it using Bolts (E), Flat Washers (C), Sleeve Nuts (G). Tighten the Bolts, Nuts with the Allen Keys (H).

Care and maintenance

Here are some tips to keep your new bed in tip-top condition

Cleaning

To clean your new bed, we'd advise using a warm damp cloth - please do not use abrasive chemicals or bleach as this may damage the product.

Checking and moving

Periodically we recommend you check that the screws or fixtures haven't become loose, over time. To move your new bed, we recommend lifting it where possible, as dragging or pushing it could cause damage to your flooring.

Wood

Please note each of our wooden pieces are unique, meaning that markings and shade can vary slightly between beds. Over a period of time, the wood might lighten or fade slightly due to light exposure.

Fabric

Please note depending on the lighting, positioning and surroundings of your room, the shade of the colour can sometimes appear slightly different. Over a period of time, the colour might lighten or fade slightly due to light exposure.

Metal

Metal tends to be more resilient to everyday wear and tear. We recommend to gently dust your metal furniture and keep it dry to maintain its look.

Thank you for shopping with us - we hope you have a great night's sleep

Sleep well

Little dreamers

Keep the little ones entertained while you assemble your new purchase.
